EDITORIAL NOTES

1. Corrections to the above Almanacs are placed on www.reedsalmanac.co.uk at the following intervals: In early January (covering the period since going to press in June); and thereafter at the start of each month from February through to June. There is no repetition, except where an earlier correction is modified by later data.
2. We thank those who have contributed helpful suggestions, all of which are considered and, if feasible, included. Please tell the Editors as soon as possible of any corrections to the Almanac(s) thought to be necessary, particularly as a result of experience at sea.
